

A caring learning community

Malvern Way News

From Mrs Cole

Newsletter 8: 26th January 2018

It has been a relatively quiet fortnight at the school in terms of trips and visitors – in light of the awful weather this was probably a good thing!

Learning has continued in earnest and our Reception children have been particularly busy using the story “The Magic Porridge Pot”. They have all had the opportunity to make and taste porridge and have been creating story maps of their own versions of this traditional tale.

Our Nursery children have been introduced to the work of Jackson Pollock and are proudly displaying their art inspired by this artist.

Parent consultation times should have been sent home today, please check with your class teacher if you haven't received yours.

Our first “Book Look” of the year will take place on 5th March. This is an opportunity for you to come and look at your child's learning with them. It will start at 9am for about half an hour (11.45 -12.15 for Duckling class). I hope you enjoy both opportunities to review your child's learning and progress.

On 16th January our Year 1 children visited the Northwood and Pinner Liberal Synagogue to deepen their learning about the Jewish faith. The children were able to see a range of religious artefacts they had been learning about and find out more about holidays and celebrations.

new
baby
"girl"

Congratulations to Mr and Mrs Del Percio on the safe arrival of their little girl Marinella this week.

SAFETY

Safety Week

We will be starting our Safety Week on 5th February. During this week children consider how to keep safe at home, in school, on the internet and when using the roads.

Please find attached the Spring Herts for Learning Online Safety News which is also available to view on the school website.

Further details will be sent to you next week.

Coming up...

You are invited to attend a "Maths Mastery" workshop in the school hall on Thursday 22nd March at 7.00pm. This academic year we are involved in a "Maths Mastery" project lead by a maths specialist in Hertfordshire. This has involved observing visiting maths teachers from Singapore teach in a variety of year groups. We are tweaking our practice at Malvern Way and would like to share with you the most important features so that you feel confident to support your child's learning in the same way at home. More details will be given nearer the time. We look forward to seeing lots of you there.

Thank you,

Mrs Ineson

Little Princess Trust[®]

Providing real hair wigs for children suffering with hair loss

One of our students, Rae Thompson is raising money for the [Little Princess Trust](#) who provide real hair wigs for children suffering with hair loss. She will have 30cm of her hair cut off on her 7th birthday to go towards making a wig as well as donating any money she raises. There is a donation box at the school office if you would like to contribute and support Rae in her fundraising ~ £500 buys a wig. Well done Rae!!
