

Malvern Way Infant & Nursery School Sports Premium Funding 2017-18

The Government provides additional funding for physical education (PE) and sport in schools. This funding is to be used to improve the quality and breadth of PE and sport provision resulting in increased numbers of pupils developing healthy life styles, raising their performance levels and engaging in PE and sport.

At Malvern Way we have been using our Sports Premium to improve the quality of sport and PE for all of our children. We aim to provide new opportunities for children to develop and learn new skills within our school with the option to further these skills outside of curriculum time.

The Sports Premium funding allocated to Malvern Way Nursery and Infant school for the period 1st September 2017 to 31st August 2018 is **£16,900**

- 1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school**
- 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement**
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport**
- 4. Broader experience of a range of sports and activities offered to all pupils**
- 5. Increased participation in competitive sport**

Key priority	Area	Cost	Purpose
2,3,4,5	Membership to School Sports Partnership	£1000	Offer opportunities for pupils to compete against other local schools and support with running intra school competitions.
	Supply costs	£1000	Opportunity for PE lead to network and identify best practice in other schools INSET opportunities for staff
Evaluation Spring 2017			
20 Year 2 children have attended a dance festival and 12 year 2 children attended the gymnastics competition. Chn to attend the athletics competition in the summer term. The sports partnership continues to offer good value for money. Through the partnership the school also arranged a football tournament using the facilities at Rickmansworth school. There are plans in place to repeat this activity. The partnership has also offered the opportunity to meet with other Primary Lead teachers to discuss best practice in considering the use of Sports Premium money.			
1,4	Play Rangers – Three Rivers District Council	£4290	Ensure active lunchtimes and increase the variety of activities that children participate in.
Evaluation Spring 2017			
Play rangers continue to be a successful use of Sports premium funding. The play rangers ensure children have access to active playtimes. Children and parents are complimentary about this service and the play rangers are continually evaluating their own provision and working with the school to provide new activities. In our recent safety week, the play rangers were noted as something that helps our children to feel safe in school.			
2,3,4	Learn to ride scheme	£1200	To train staff in the next stage of the Learn to ride scheme. Staff across EYFS and KS1 will be skilled in delivering and differentiating cycling provision.

	Pedal bikes and helmets x 15	£1,500	To enable teachers to embed the skills they have learnt. To provide children with the resources necessary to develop their bike riding skills. To promote bike riding as a form of travelling particularly to and from school.
Evaluation Spring 2017 Planned for Summer 18			
3,4	Staff development - identified needs of staff		Teachers, TA's and children to take part in workshops which will happen throughout the day. Evening twilight for staff gymnastics training.
	Gymnastics workshops and staff twilight	£500	
	Dance workshops	£900	
Evaluation Spring 2017 Kim Henderson attended our school and taught three lessons (one to each year group) and teachers and TA's observed during their year group session. All teachers then attended INSET after school to develop skills further. Impact of INSET seen in delivery of gymnastic sessions in Spring term. This will also be enhanced by the purchase of wall bars in the school hall.			
1,3	Health and well-being	£900	To provide teachers and children a greater understanding of how to maintain good mental health and wellbeing. Teachers will develop their understanding of how to support children and improve children's wellbeing in their class through exercise.
Evaluation Spring 2017 Relax Kids have carried out 4 sessions (over 4 weeks) with our year 2 children. The sessions cover; friendships, kindness, teamwork and resilience Parents and children reported the positive benefits of these sessions.. Yoga workshops have been arranged for all children during Sports Week (summer term).			
2,4,5	Participation in National School Sports Week	£500	To expose the children to a wider variety of sports and increase participation in school/ local clubs.
Evaluation Spring 2017 National Sports Week is to take place in June 2018 so no evaluation yet. Plans to link with Croxley tennis club, yoga and hockey.			
1,4	Maintenance/ repairs of current equipment	£1000	Provide children with further differentiation through the use of equipment in gymnastics. Support children with poor gross motor control and core strength. To ensure time in gym lessons can be used more effectively with children being active for an increased amount of time.
	New equipment	£500	
	Mounted wall bar apparatus	£6000	
Evaluation Spring 2017 Gym wall bars have been installed and teachers have already begun to incorporate the use of these in their PE lessons. This expenditure links to the development of staff using Kim Henderson's gym INSET.
