Feedback form for the School Governors from a parent/carer

The Governors welcome feedback from our parental community and are happy to respond to any queries parents may have about Governance within our school. For example you may have a query about:

- The role of the Governors.
- Feedback or comments about your views of Governance at our school.

Please note that any concerns about your individual child's education or welfare should be addressed with the class teacher or Headteacher so that we can effectively address your concern/s.

Please state your comments below. We ask you for your name and contact details so that we can respond to you (as appropriate). If you would rather make an anonymous comment then please leave this section blank.
