

In Reception we will be learning about growing, gardening and all things outdoors.

We will be exploring...

joining materials to create junk model mini-beasts

facts about different mini-beasts

inventing our own mini-beasts

the story of "Jack & the Beanstalk"

different types of gardens and what they are used for

how to care for plants and animals

maths problems involving doubling and halving

names for the different parts of plants

how to take care of our environment e.g. saving electricity
