

Thursday 22nd June ~ Sports Day

There will be a variety of sports stations where children will be taking part in individual, team and competitive events.

Competitive: Individual races on the track.
Team events in colour groups: Relay on the track and sack race.
Individual: Target throw, Ball control, Javelin and obstacle course.

Our Sports Day ensures all children are active participants rather than spectators for most of the time.

Please remember to provide a hat and ensure your child has sun screen on should we have a hot day.

Parents/Carers often like to take video or still photographs of their child at Sports Day. Due to the Data Protection Act any images taken must be **for private use only and must not be put on the internet.**

There will be a limited number of seats at each sport station and we ask parents/carers to sit on or stand behind the chairs so that the children may participate safely. The children will move round at approximately ten-minute intervals so please follow your child.

Children will take their own water bottles outside. For children's safety please do not bring hot drinks on the school site, we also ask that you do not give your child any food or drink during the events. Can you please ensure you supervise younger siblings at all times.

Nursery morning and afternoon children will have their sports day in the morning. Nursery sports will start at 9.15am and finish approximately at 10.00am. The afternoon Nursery will attend in the morning on this day and **there will be no afternoon Nursery session.** Nursery parents/carers may take their child home after the event (there will be Nursery provision until 11.45am).

Reception children will have their sports day in the morning. They will start sports skills at 10.00am until approx. 11.45am. Parents should arrive at 9.50am entering via the double gates on Winton Crescent.

Year 1 & 2 children will start sports skills at approximately 1.30pm. Parents should arrive at 1.15pm entering via the double gates on Winton Crescent.
