

Malvern Way Infant & Nursery School Sports Premium Funding 2015-16

The Government provides additional funding for physical education (PE) and sport in schools. This funding is to be used to improve the quality and breadth of PE and sport provision resulting in increased numbers of pupils developing healthy life styles, raising their performance levels and engaging in PE and sport.

At Malvern Way we have been using our Sports Premium to improve the quality of sport and PE for all of our children. We aim to provide new opportunities for children to develop and learn new skills within our school with the option to further these skills outside of curriculum time.

The Sports Premium funding allocated to Malvern Way Nursery and Infant school for the period 1st September 2015 to 31st August 2016 is £8900
