

Carnivals

Art

As artists we will be studying a range of carnival artwork and creating artwork inspired by these pieces. We will also be using poetry & music stimuli to inspire our own compositions.

Music

As musicians we will be composing pieces of music in groups to develop our performance skills. We will also be using symbols to help us remember and play our pieces.

Geography

As geographers we will be using maps and atlases to locate countries that hold carnivals. We will also explore similarities and differences between these locations.

R.E.

We will be learning how people of different faiths have given up something for love, and linking this to existing religious practises such as Easter.

Science

As scientists we will be learning how to identify and group materials. We will also be learning about the human body and how our senses help us to understand the world around us.

History

As historians we will be exploring the history of carnivals including local festivals and celebrations.

P.E

In Dance we will be learning a range of dancing styles, including traditional dances like Morris Dancing.

In Gym we will be exploring ways of balancing, travelling and creating

Computing

As computer scientists we will be exploring how to send and receive messages.

We will also be learning how to keep ourselves safe when using technology.
